Chair's Report

Chair did not have much to report. Wanted to express to teacher's acknowledgement of loss of March Break and hope that April Break does in fact occur as recognizes that everyone has been working hard and will need the break.

Principal's Report

Reviewed the challenges of Virtual Schooling in January – the team is trying to focus on all the positives that came out of that.

Staffing Update – see Appendix A with full Principal's Report.

Scholastic Virtual Book Fair is currently running and good uptake so far.

Toonie Tuesday was a success.

March Madness is being planned to help off set the lack of March Break – activities to be announced to classes.

PD Day Learning included Equity Roadmap, Health and Safety teaching around asbestos, and staff conducted an Equity Walk viewing things through an Equity lens. This is leading to working on a plan to increase inclusivity.

Reminder about dogs not being allowed on school property for student/staff and parent safety. This has/will go out in the weekly parent email.

Classroom snack kits – may need a refill in a month or so.

Wishlist Items – see Appendix A for links.

Teacher's Report

Penny reporting PD Day meeting on February 12, 2021 was great. She reports it was one of the best conversations that she's been a part of. Very personal and important issue to her.

Penny had a comment about Bouncy Bands and that they can increase productivity – discussion that can use TheraBand or ask an OT who comes into the school for a recommendation.

Report that some teachers have donated Indigenous books and Leigh reported that their family likes The Medicine Wheel collection. Offered to donate a set.

JESC Meeting Minutes

This is Us – initiative that was started last year. Trying to find students who know greetings in other languages and are comfortable with recording it to share with other students. Jockvale has a lot of diversity in the school.

Treasurer's Report

See attached Appendix B for full Treasurer's Report.

There are cheques still to be deposited. Full total of account is \$17,196.97 with Cash Available at \$3,928.

Krista wondered about need for some form of digital payment for parents once activities can resume - ? Square or other online payment. Brenda offered to work with Krista on using School Cash Online to start to see if that will meet needs at this time so as not to incur other expenses for new technology.

Food Task Force and 2020 Christmas Hampers

Brenda has another \$200 in donations to add to the bank account. At this time they are okay for snack bins but may need more in future. Cheryl has offered to put together the kits again. Shannon will watch the prices at Costco for items as last time the regular Nutri Grain bars were not available and had to substitute.

Fundraising Report/Planning

Krista reported that she is following OCASC Facebook to see what is being done at other schools.

It is reported that the school board is allowing fundraising to occur but if pick ups need to happen then need to book time slots/appointments and outside pickups.

Panago Fundraiser – Krista to send an email to get it organized soon.

FundScript – Shannon was not able to secure someone to take on the planning of this initiative so will plan for a September 2021 start up.

Vesey's Bulbs is not running fundraisers this year. Brenda to send an email that she gets from Sow to Grow.

-a school-wide BINGO GAME

-and the cherry on top....a mandatory LOCKDOWN PRESENTATION (woohoo!)

PD DAY LEARNING-

On Friday, February 12th, as Jockvale continues engaging with the OCDSB Equity Roadmap, we spent the morning as a staff having courageous conversations about equity, inclusivity, diversity. Individual staff members discussed their experiences through a lens of privilege, and then participated in breakout groups to address how current practices may affect their classroom practice, and the school at large. We also learned more about the OCDSB Indigenous Team, their philosophy as educators, and how we can access their support as we continue on our journey to make Jockvale a place "where everyone belongs" while respecting and celebrating individual voice and identity.

DOGS ON SCHOOL PROPERTY-

We continue to address the presence of dogs at the front of the school at pick up and drop off times. This was recently actioned by our school Health and Safety rep in a report to the District. We have asked all teachers to send a prescribed message home asking that parents/guardians not bring their dogs on school property. Duty staff are also courteously asking that parents/guardians do not wait on school property with their dogs.

SNACKS- We have two and a half boxes of snacks left. Two classes needed refills on Thursday but we still have a lot of packages remaining. We will let you know when we need a refill.

WISHLIST ITEMS- We are hoping that Council would be willing to support some of our exceptional students by providing funds to purchase durable 50-60 piece puzzles. We are looking for an amount up to \$200 for this purpose. Here are some examples:
