Whether you are enjoying a staycation or travelling near or far, have a safe and happy break and we will see our Jaguars back at Jockvale on Monday, March 18th!

THE CATERpillars (KJSC) EXPLORE COLOUR

This week the Caterpillars class learned about primary (blue, red, yellow) and secondary (green, orange, purple) colours. The children had the opportunity to participate in a colour experiment to learn how to create secondary colours. All the children were able to share their predictions, or guesses, about what happens when you mix 2 primary colours together, and they were thrilled to see the outcome of the experiment! They then had the chance to conduct their own personal experiment through painting to see if they could create secondary colours by mixing primary colours together. They also enjoyed mixing all primary and secondary colours together to see what new colours they could create! Many students were surprised that mixing all the colours together made different shades of brown!

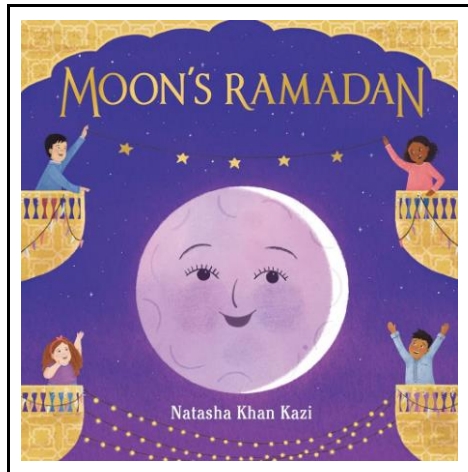

To conduct the experiment at home, you need water, milk and food colouring (red, blue and yellow). Fill 3 cups with half water and a little milk. The three combinations for mixing are: (1) red + blue = purple, (2) red + yellow = orange, and (3) blue + yellow = green. Try changing the amount of food colouring you use to see how the secondary colours change (i.e., are they light or dark coloured).

SWIM TO SURVIVE

The Swim to Survive program is back! This is an initiative sponsored by the Ministry of Education for all students across the province who are enrolled in grade 3. We're excited that our first group (including 18 students from R3A) will be participating in the program at Walter Baker Sports Centre on March 26th, April 2nd, and April 9th. We are asking for parent volunteers to help walk to the sports centre and supervise students. Permission forms have

been sent home to students in **R3A (group 1)**. Please ensure the form is returned by March 25th at the latest.

JOCKVALE LIBRARY NEWS

We took another break from the Forest of Reading today to celebrate with our friends who will be celebrating Ramadan over the coming weeks. "Moon's Ramadan" travels the world with the Moon to see how people are celebrating Ramadan all over the world. Happy Ramadan to all our friends who will be celebrating.

SAVE THE DATE FOR THE GRADE 6 LEAVING CEREMONY - Jockvale's Grade 6 Leaving Ceremony will take place the morning of Tuesday, June 25th with details to follow. The school Planning Committee will meet after March Break.

ROYAL CITY SOCCER CLUB - The Royal City Soccer Club, a registered non-profit community organization, is proud to host their 32nd annual grassroots summer day camps. The program is designed to promote personal development, team building and of course, FUN! Uniquely designed to offer a more soccer focused morning with a leisure swim with other organized activities in the afternoon. The program operates during all weeks in July and August for children aged 5 to 13. For more information or to register, visit royalsoccer.com or call 1-800-427-0536.
