

JOCKVALE'S FRIDAY MESSAGE - MAY 31st, 2024

Jockvale and Team 18 have been buzzing with excitement as we became beekeepers this week and learned all about honey bees! We explored a hive that had frames full of honey, brood (baby bees) and honeycomb. We also looked at examples of non-living worker bees, drone bees and hatched queen cells too. Bees are amazing creatures that are crucial for our ecosystem to survive and flourish!

EXPERIMENTAL FARM VISIT

Last Thursday, primary classes had an UDDERly FARMtastic day at the Canadian Agriculture and Food Museum. Students (and teachers!) got to pet woolly sheep and soft baby cows, became scientists in the soil lab, learned about farming for the future by driving a tractor simulator, and visited with pink piglets and fluffy chickens! We would like to send out a big thank you to all our parent volunteers who made the trip possible, as well as three cheers for Mrs. Egan for planning such an a-MOO-sing trip!

JOCKVALE LIBRARY NEWS -

We've been having some fun in the library this week with the book "Teacher in the Wild" by Devin Siebold with art by Izzy B. When a young boy goes to the mall with his Dad he sees someone who looks a lot like his teacher. But is she allowed to leave the school? Is that an alien imposter? Do teachers have lives outside school?!?!

It is a busy time of year and we are trying to get every class in for their library visits around extra activities, field trips and fun days. The students will be borrowing books until June 14th and then will need to return their books in the week of June 17th-21st. If you are leaving on a vacation before the end of the school year please return your child's books before you leave.

[SAFE ARRIVAL SYSTEM \(Automated Attendance\)](#)

Jockvale now uses the [Safe Arrival System](#) which is an automated attendance program. The Safe Arrival System has replaced some of our current attendance routines, like the Google form and phone calls. The system contacts families for unreported absences. Please download the app if you haven't done so already - thanks!

JESC NEWS

Spring Fling, the annual year-end barbeque, will be held on Wednesday, June 12 from 4 to 6 pm on the school yard. There will be a large inflatable obstacle course with a slide, inflatable wrecking ball game, mini-train rides hosted by the Barrhaven Lions Club, a scavenger hunt, crafts and other outdoor activities, making this a must attend event. All of the activities are free, however we are accepting donations to help off-set the cost. We suggest \$2 per child to a max of \$5 per family.

You can also purchase food at the barbeque, which is being run by parent volunteers. To ensure we buy enough food we are asking people to order food in advance. This can be done through school cash online, or using this [google form](#) if you would prefer to pay in cash. Hot dogs, hamburgers and veggie burgers that are ordered in advance will cost 50 cents less than in cash. Deadline for preorders is June 9th.

We are still looking for more people to help run the barbeque and supervise activities. If you can help for 30 minutes, or more, please contact jockvalevolunteers@gmail.com.

Have a great weekend,

Loretta and Karl
